Dear Parents/Carers,

20th March 2020

Today is the last day of normal opening for the foreseeable future. As from Monday, school is closed to the vast majority of children but we will continue to do everything we can to support our families.

Thank you for your responses to our school surveys; they have helped to identify the parents who are Key Workers and those who will require childcare from next week.

In everything that we do, schools must respond to the Government's advice regarding social distancing and it is very clear that, **"Parents should keep their children at home, wherever possible, and schools are to remain open only for those children who absolutely need to attend."** We look for your support with this.

After 3:00pm today, we will be contacting parents who have requested childcare places to confirm further details of what will happen on Monday. Therefore, please note that any requests for childcare received after 3:00pm today may not be able to be considered as plans need to be in place.

From Monday, capacity will be reviewed daily according to how numbers of staff and children may fluctuate, as well as any changing guidance from the government.

We thank you for your on-going support at this very challenging time. We also thank you for the many letters and comments that you have made regarding our support; it is very much appreciated by the staff across both Trewirgie Infants' & Junior schools.

Yours sincerely
