

Trewirgie Infants' & Nursery School

W/C 23rd Sept 2019

Welcome to our weekly Newsletter. Each week you will have the chance to see what each year group have been up to during the week. Each year group will alternate weekly. This week is Year 1's newsletter.

What have Year 1 been up to this week?

Year one have started this term by looking at 'The Three Little Pigs'. We have loved learning the story and have been practising with makaton signs too! We have been writing about the big, bad wolf and thought of some fantastic adjectives to describe him.

In science, we have been looking at materials and thinking about the properties to try and understand why the straw and stick houses were blown down by the big bad wolf! We saw plastic, metal, paper and even a wooden hedgehog!

Class 6 have enjoyed taking part in various Maths activities, and they have been learning to add 1 on!

This week is 'Bike to School Week'. A reminder that there are bike pods available around the site for children to leave their bikes, so they can ride to and from school. Bikes and scooters must be dismounted at the gate.
