

# Trewirgie Infants' & Nursery School

W/C 16<sup>th</sup> Dec 2019

Welcome to our weekly Newsletter. Each week you will have the chance to see what each year group have been up to during the week. Each year group will alternate weekly. This week is Year 1's newsletter.

After a very busy autumn term we have finally made it to the Christmas holidays!  
Well done everybody!

At this time of the year it is usual to reflect on the year that has passed and look to the future. We have made a very positive start to this academic year and we will continue to build on this over the next term. School improvement is not the job of a few people it is a whole team effort and everyone has their role to play. We would therefore like to thank our amazing parents for all their support and commitment and for their help in shaping the vision of our school.

We would like to thank our incredible staff and governors for all their hard work and commitment and for doing 'whatever it takes' to support our children and families. Finally we would like to thank our Trewirgie children for their energy, enthusiasm and willingness to learn.

We wish you all a very happy, healthy Christmas and a fabulous start to 2020.

Look who visited the children today!!

Trewirgie Infants' School - Where Everybody Matters

## What have Year 1 been up to?

We started this term with learning about different celebrations. We learnt about Diwali and Guy Fawkes and the gunpowder plot. We created our own firework artwork based on the paintings by Cornish artist John Dyer and made our own Diva lamps using clay.

We also have been looking at the fairy tale 'The Gingerbread Man'. We invented our own stories based on the Gingerbread man by inventing new characters to run away, such as; giant cookie boy, candy cane man, cupcake girl and many more!

Class 5 went to the junior school to listen to their amazing alien stories. The year 5's also heard our amazing reading too!

We loved taking part in the Christmas Christingle church service earlier this month! We have also been working hard to perfect our singing and speaking parts for our nativity with year 2. We hope you enjoyed our performance at the church last week!

The children had fun at their Christmas parties!

## Online Safety

[www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

We have posted a link on our Facebook page to the above website for online safety education for 4-7 year olds.

From January 2020 Mrs Bateman, in addition to her teaching role, will be taking on the responsibility of Assistant Headteacher overseeing years 1 and 2.

We also welcome a new member to the Trewirgie team - Mrs Montgomery-Smith will be joining us as Assistant Headteacher with responsibility for reception and Nursery.

On a sad note Mrs Sheer who has been a transition learning assistant for 8 years will be leaving us at the end of the autumn term. We wish her all the very best.
