

Trewirgie Infants' & Nursery School

W/C 11th Nov 2019

Welcome to our weekly Newsletter. Each week you will have the chance to see what each year group have been up to during the week. Each year group will alternate weekly. This week is Nursery's newsletter.

Another busy week in Nursery! We have been learning about poppies and their significance, made our own Pudsey Bear ears for Children in Need; thank you for all your generous donations. We have been finding out all about keeping our teeth nice and clean. We had a look at our own teeth and counted them. Then we talked about and practised brushing teeth using some friends.

Top Tips for Talking

Top Tip for Talking!

Try not to ask your child too many questions

Try not to ask too many questions, especially ones that sound like you are constantly testing the child. The best questions are those that challenge the child to think rather than give an instant answer, like yes or no. Too many questions can easily block the flow of natural conversation.

In a drive to raise our standards in reading and encourage the children to enjoy their books we are launching a new initiative on Fridays called **Flashlight Friday**. Please could you supply a small torch for your child to keep in school (one from the Pound Shop will be more than adequate). Also on Fridays send in a book or comic which they will enjoy reading. The whole school will then have a 10 minute silent reading break, reading in various places around the classroom such as under desks or in corners, using their flashlight to promote having fun and enjoyment of their reading.

Thank you for your support.

Mrs Uglow – Joint Reading Coordinator.

The Sun newspaper has launched a 'Books for Schools' campaign whereby schools have the chance to claim a free pack of books.

Please help us to get these books by collecting tokens from 'The Sun' and 'The Sun on Sunday' between Saturday 23rd November and Saturday 18th November.

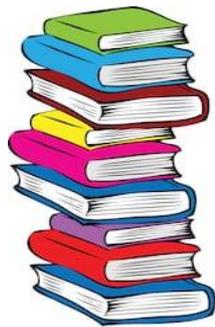

The target is 3,500 tokens so please get any family, friends, neighbours involved to collect these tokens – Our children will really benefit from £600 worth of beautiful books.

Hand washing

Please remind your children the importance of washing their hands – especially after using the toilet, playing outside, before eating and after being with animals.

We have replaced our reading scheme books. The old books are available from the Office for a donation.

64% of our Nursery and Reception parents are using the tapestry app. A reminder to activate your account/ return the consent form, so you can keep up to date with your child's learning. Any problems please see the Office or email

On Monday morning, M & M productions will be performing 'Jack and the Beanstalk'. The whole school will be watching the performance.

It is with great sadness that we inform you that Mr Bosanko, our School Crossing Patrol for 15 years, passed away earlier this week. We would like to pass our condolences to his family and friends.

Thank you to all of the service personnel who attended the Remembrance Assembly held on Monday.
